The President's Report

By Tom Moerke

HI GANG:

At our February PIE Tom Hazen handed out copies of his very well done brochure on the Paul Weidner Memorial Speed Run on June 21st. The next morning I mailed him a check for \$15 (what a deal!) Now Tom says I am number one ! I think that means I get to go first. I would hope that lots of us Healey Club Members would attend in honor of our vintage sports cars and in honor of Paul Weidner. Paul was a friend to all of us. To honor this, the 50th birthday of the Austin-Healey Sprite, it would be great if all the bugeyes in the club should come. How about it, Chuck, Rod, Herb, Jack, Keith and Sue, Stan and Marian, both McCullough's, Tom, and Bruce and Donna ?

June and I have sent off a check to Rendezvous 08 in Pinawa. The route we plan on taking is WI35 to Duluth, MN53 to Intl. Falls, to Kenora and turn west to Pinawa. The last time I went to Winnipeg we drove on 194 to I29. Booring ! Just think! We'll cross the continental divide. Yes, we will. It's just north of Virginia, MN. From there north all the rivers run north to Hudson's Bay. Lots of people are going so mail them a check as soon as you can. There is a little sticker shock at paying in advance but if you add everything up its a little cheaper and just think : no credit card bills when Rendezvous is history.

We do have a great Spring planned:

March 15th we will go to Jeff Lumbard's Tech Session in a HEATED GARAGE.

March 22nd we can go to the Jag's Club Go Kart Challenge.

April 19th a whole bunch of us will join Greg Lauser on our clean-up of Highway 61 which is followed by a great tour and a lunch stop where they serve the best hamburgers in Minnesota.

May 3rd I will put together our Spring Awakening Tour. This will start at 1:00PM and take you to places new to many and end up at a locally famous restaurant. Do not eat for several days in advance.

May 16 to 18 is ELKHART LAKE TIME.

And May 17th is The Intermarque Banquet & Car Show.

And June 5 to 8 is Rendezvous 08 at you know where.

We must never forget that what sets the Healey Club apart from the rest, besides having the sexiest women members, are our speed runs ;

The Afton Hill Climb VII on June 14th,
The Paul Weidner Memorial Speed Run on June 21st,
The 7th Annual Healey Gymkhana on July 12th,
The Amery Airport Event V on Aug. 23rd.

See you all at PIE March 5

Mark Brandow of Quality Coaches asked Curt to mention the sale of a BT-7; No details available.

FORT SNELLING**

729 Paul Burch Drive Hudson, WI 54016

This 3 BR 3 Bath 2400 square foot easy access Home was built in late 1999 on 3.3 ± acres in Hudson Township. Zoning as Rural-Residential means the land is as flexible as the open floor plans of the house and shop. The location a few miles outside the city of Hudson gives you the quality and feel of the country and access to the best benefits of the Cities.

Built as a retirement home, there are no steps required to access the house or shop. The floor plan lends itself to flexibility through a 600 SF 'bonus' portion of the house being utilized as an entertainment area, an office, a studio, guest suite or in-law's apartment.

Features include multi-zoned in-floor natural gas hot water heat, whole house heat-exchange Van-E ventilation system and central air conditioning, central vacuum, easy access laundry, birch built-ins, living area vaulted ceilings, large, open kitchen areas with external exit high capacity stove fans, natural finish ceiling height birch cabinets and generous birch front pantry, Fiber-Optic cable TV service to house and shop and RJ-45 8 wire computer hub connectivity is provided throughout the house and shop.

There are 3 generous attached garage spaces attached to the house, a double which is fully insulated and equipped with a heater as well as a direct entry bathroom for use as a mud / clean-up room, and a large separate single garage accessed through the bonus living area.

Meadow and wild flowers cover much of the generous lot which has an insulated garden shed equipped with its own deck and adjacent garden and planting areas.

Bring your hobbies or business to the 40 X 72 foot with 10' walls (40 X 48 insulated and heated) shop which has an 8 foot door double garage door, 2 post automotive lift, (12' raised ceiling area) 6 HP air compressor, 220 V electrical service, office area, cabinets and shelves.

House has its own well and septic system. Koi pond, (no Koi or other fish), fire pit and enclosed patio currently exist.

Optional, negotiable items may include all appliances, washer and dryer, some furniture, recently purchased 23 HP, 46 inch deck Husquvarna lawn tractor, Dodge ¾ ton pick-up with new 88 inch snow plow, hand and power tools and, possibly, a British Car project of your choice, (limited to those on hand).

Contact Steven Rixen, 612-877-1938 to arrange a viewing, advise, consult, discuss animals, options, BS, talk cars, airplanes, or negotiate shop use, LBC project and / or the asking price of \$339,445.49 (Appraised at \$389,900 when refinanced for a lower rate last June)

There are times when I am in the classroom, sometimes in a distant time zone with my cell phone off, so leave a message and / or contact me at; scrixen@gmail.com .

Why am I selling? It was our dream home and I am alone here now, working, traveling for weeks at a time and can't justify my rattling around in all this space when I am here, trying to keep up with the snow, the grass, the yard work.

It should be your dream home. Let's talk.

The VP REPORT by Rod Richert

You never know what you're going to encounter at a club event. A snow slickened driveway steeper than any roadway at Afton Alps. Rolling oak-studded hills surrounding the lake beyond the wide garage windows--the best garage view I've ever seen. And a '75 BMW and red '62 Chevy Bel Air with their own patio. All these sights at Mike Corazzo's home, site of his brother Ron Corazzo's 100-6 engine awakening on Saturday, January 26th.

In exchange for Mike's hospitality, MAHC Club members are urged to consider for purchase a ROTARY brand portable hydraulic lift. Lifts to a height of approximately 4 feet and is tough enough to lift the Bel Air. \$1500. You can reach Mike at (651)-456-9338.

Steve Rixen was the technical presenter. The engine builder had agreed to be present but was said to be in Australia. This was fine with Jim Wojcik as he had unfortunate results with this same builder. The session included a very detailed explanation of British dual carburetion following Curt Carlson's rebuild. (He wasn't there either but remains in good standing).

1) oil pressure? (check!) 2) fuel pressure? (check!) 3) ignition? (check battery cut-off switch!) Those members present to the successful conclusion (VAROOOM!):

Wayne Soderbeck, Tom Moerke, Dick Mathews, Ron Corazzo, Steve Rixen, Spencer Jones, Dan Wolters, Jim Wojcik, Harry Regwald, Dan Powell, Jeff Lumbard, John Snyder, Herb Miller, Mark Faragher, Spence Angel, Don Heath, and Don Eggebrecht.

Quote of the month:

"Once you reach Pinawa you are there! You cannot drive through town and continue on your next destination. The only way out is from whence you came. That is what makes our town so special. You are here because you want to be here...".
